## Objective

With 3 years in UX design, I focus on creating thoughtful, user-centered experiences. I enjoy solving real-world problems through design, improving usability, and working with cross-functional teams to bring ideas to life.

## Experience

The Citizen Project Inc - **Volunteer UX Designer**

Aug 2025 - Present

- Redesigning and improving application interfaces to enhance usability and accessibility.
- Collaborating with cross-functional teams to optimize design processes and user experience.
- Developing wire frames and prototypes to visualize design concepts.

3SHTech Ltd - **UI/UX Consultant**

Nov 2022 - Mar 2025

- Executed 10 in-depth user interviews for a web and mobile outsourcing application, creating tailored user flows to address end-user needs.
- Teamed up with cross-functionally and applied agile methodologies to enhance website interactions, achieving a 30% increase in user satisfaction.
- Analyzed user data and metrics to inform design decisions and improve overall user experience.

iHealth & Wellness Foundations, Inc - **Volunteer UX Designer**

Mar 2024 - Jul 2024

- Created and refined page layouts, focusing on usability, structure, and visual clarity.
- Worked directly with developers, explaining design elements and improving efficiency of production hand off.
- Scheduled meetings, managed Trello workflows, and ensured timely delivery of design files, showcasing strong organizational and time management skills.

## Education

Anna University

Sep 2012 - May 2016

**Bachelor of Computer Science Engineering - 7.95 GPA**

Springboard Bootcamp

Jun 2022 - Jul 2023

**UI/UX Design Certificate Course**
